Study at Birat Medical College

About Birat Medical College

Founded in 2014, Birat Medical College (BMC) is a prominent medical institution located in Tankisinwari, Biratnagar, Nepal. Affiliated with Kathmandu University, BMC offers a 5.5-year MBBS program that includes 4.5 years of academic training and 1 year of mandatory internship. The program is conducted in English, welcoming both national and international students.

The college is recognized by the Nepal Medical Council (NMC), World Health Organization (WHO), and listed in the World Directory of Medical Schools (WDOMS). BMC operates a

300-bed teaching hospital that gives students valuable hands-on clinical experience. The campus, spread across 33 acres, is equipped with modern labs, spacious lecture halls, a comprehensive library, and separate hostels for male and female students.

Why Choose Birat Medical College for MBBS?

Affiliated with Kathmandu University

Recognized by WHO, NMC (India), FAIMER, and UNESCO

Affordable MBBS program with hostel fees included

Medium of instruction is English, ideal for international students

Advanced medical infrastructure and simulation-based labs

On-campus teaching hospital with 300+ beds

Cultural and national events celebrated throughout the year

Indian food options and fully furnished accommodation

Why Study MBBS in Nepal?

Nepal is a preferred destination for Indian students due to its:

Geographic proximity and cultural familiarity

Affordable medical education

Similar academic structure and curriculum to India

NEET requirement aligns with Indian medical standards

Safe, peaceful, and student-friendly environment

Life at Birat Medical College

Life at BMC is holistic and vibrant, blending academics with extracurricular enrichment:

Participation in welcome and farewell events, cultural fests, and medical exhibitions

National festivals like Dashain, Tihar, and Holi celebrated with enthusiasm

Sports, debates, and traditional performances

Well-stocked library and access to academic resources

24/7 hostel facilities with meals, laundry, and transport options

Friendly and diverse student community
