Study at Khalifa University

About Khalifa University

Established in 2017 through the merger of three institutions, Khalifa University is a top-ranked public research university located in Abu Dhabi, UAE. It integrates world-class teaching with innovation-driven research in science, engineering, medicine, and technology.

The university features three colleges, 18 departments, 16+ research centers, and more than 200 state-of-the-art laboratories. With campuses in Sas Al Nakhil, Masdar City, and the Main Campus, Khalifa University provides a cutting-edge learning environment supported by global academic partnerships.

Internationally ranked (QS 2025: 202nd globally), it is the highest-ranked university in the UAE and hosts a diverse student body from 60+ nationalities.

Why Choose Khalifa University for MBBS?

UAE's highest-ranked university (QS, THE Rankings)

State-of-the-art campus with 200+ advanced labs

Strong research in AI, robotics, energy, and biotechnology

Collaborations with ADNOC, Mubadala, Siemens, and more

English-medium MBBS program with global exposure

Graduation ceremonies held at ADNEC, Abu Dhabi

Internships and career opportunities in UAE hospitals

Scholarships available for UAE nationals and international students

International faculty and research exchange programs

Multicultural campus fostering innovation and inclusivity

Why Study in the UAE?

The UAE is emerging as a hub for world-class education with its advanced infrastructure, high-quality teaching, and excellent safety standards. English-medium programs, cultural diversity, and global employability make it a preferred choice for Indian MBBS aspirants.
