## **Study at Ajman University**

### About Ajman University

Established in 1988, Ajman University (AU) is a top-ranked private institution located in the Al Jurf area of Ajman, UAE. Though it does not have a campus in Dubai, its close proximity makes it a preferred choice for students across the UAE.

Ajman University offers 39 academic programs—24 undergraduate, 13 graduate, and 2 doctoral—across nine colleges including Medicine, Dentistry, Engineering, Business, Law, and Pharmacy. All programs are accredited by the UAE Ministry of Education.

The university is known for its advanced infrastructure, sustainability-focused campus design, and emphasis on both academic excellence and cultural diversity.

### **Why Choose Ajman University for MBBS?**

Recognized Programs: UAE Ministry of Education-accredited MBBS program

High Global Rankings: Top 5 in UAE, Top 30 in Arab Region – QS Rankings

Multicultural Community: Students from over 70 nationalities
