About State University of Moldova

Established in 1946, the State University of Moldova (USM) is the oldest and most esteemed public university in Moldova. Located in the capital city of Chişinău, USM offers globally recognized programs in General Medicine, Dentistry, and Pharmacy, with instruction available in English and Romanian.

The university is accredited by leading international organizations, including WHO, NMC (India), ECFMG (USA), and GMC (UK). USM is also a member of the International Association of Universities and maintains over 60 global academic partnerships. Currently, the university hosts over 20,500 students and employs more than 1,100 faculty members.

### **Why Choose State University of Moldova for MBBS?**

Recognized by WHO, NMC (India), ECFMG, and GMC

MBBS and medical programs taught in English

Affordable tuition fees and living costs

Access to modern labs, libraries, and simulation centers
