

# PAVLOV FIRST SAINT PETERSBURG STATE MEDICAL UNIVERSITY

Established in September 1897, Pavlov First Saint Petersburg State Medical University is one of the oldest and most prestigious medical institutions in Russia. Originally founded as the Medical Institute for Women, it was the first institution in the world to offer women the opportunity to pursue higher medical education. In 1994, it was officially renamed by the Russian Government as St. Petersburg State I.P. Pavlov Medical University.

A Legacy of Innovation and Excellence: Pavlov First Saint Petersburg State Medical University is celebrated for its innovative teaching methodology, blending the rich traditions of Russian medical education with the best practices from the Western education system. This balanced approach prepares students to meet global healthcare standards with confidence and competence.

Unique Academic Environment:

- The only medical university in Russia with its own polyclinic located within the campus—offering students early and extensive clinical exposure.
- In 2017, Pavlov First Saint Petersburg State Medical University proudly marked the 192nd anniversary of its historic polyclinic, reflecting its deep roots in healthcare service and training

- Pavlov First Saint Petersburg State Medical University recognized as a global hub for training highly skilled medical professionals
