About Asian Medical Institute (ASMI)

[Overview](#) | [Location](#) | [Programs](#) | [Why Choose ASMI](#)

Founded in 2004, Asian Medical Institute (ASMI) is a leading public medical institution located in Kant, Kyrgyzstan. It is recognized by prestigious international bodies such as the World Health Organization (WHO) and the National Medical Commission (NMC). The institute offers a diverse range of medical programs, including MBBS, BDS, and DDS, taught in English to accommodate its global student body.

ASMI provides a modern learning environment, with well-equipped classrooms, research facilities, and libraries. The institute boasts highly experienced faculty members who guide students through practical and theoretical knowledge.

The university is dedicated to maintaining high academic standards and fostering a holistic approach to education through various cultural, academic, and scientific events. Students benefit from advanced infrastructure, hands-on clinical exposure, and modern hostel facilities.

Why Choose ASMI for MBBS?

Global Recognition: WHO and NMC accredited

English Medium: Courses taught in English

Affordable Tuition: Competitive tuition fees for international students

Clinical Exposure: Practical training in affiliated hospitals

Indian Cuisine and Hostels: Separate hostels for boys and girls with Indian food options

Global Opportunities: MBBS degree recognized worldwide

No IELTS/TOEFL Required: Easy access for international students

Why Study in Kyrgyzstan?

Kyrgyzstan is an emerging destination for medical studies, known for its affordable tuition fees, high-quality education, and safe, student-friendly environment. The country's modern infrastructure and culturally diverse society provide a conducive atmosphere for international students to thrive academically and socially.

Life at ASMI

Life at ASMI is a blend of academic excellence and vibrant student activities:
