Study at Jalal-Abad International University

About Jalal-Abad International University

Established in 1993, Jalal-Abad International University (JAIU) is a leading private university located in the city of Jalal-Abad, Kyrgyzstan. The university is affiliated with the Ministry of Health and Science Education of Kyrgyzstan and is recognized by the National Medical Commission (NMC), World Health Organization (WHO), and is listed in the World Directory of Medical Schools (WDOMS).

JAIU is known for its modern academic structure, quality education, and a diverse student body of over 2,500 international students from India, Nepal, Bangladesh, Pakistan, and other countries. The university offers advanced MBBS programs delivered in English, with a strong emphasis on hands-on clinical training through its own private hospital and partner institutions.

Why Choose Jalal-Abad International University for MBBS?

Recognized by WHO, NMC (India), and listed in WDOMS

English-medium MBBS program – no IELTS/TOEFL required

Clinical training begins from the first year

Affordable tuition and living costs

Fully equipped laboratories, simulation centers, and a private hospital

Separate hostels for boys and girls with Indian mess

Safe, multicultural campus environment

Globally experienced faculty with strong academic credentials

Direct admission process (NEET required for Indian students only)

Active campus life with cultural events, festivals, and talent shows

Why Study in Kyrgyzstan?

Kyrgyzstan is becoming an increasingly popular destination for MBBS aspirants due to its globally recognized universities, low tuition fees, and student-friendly environment. With modern infrastructure, cultural diversity, and opportunities for clinical exposure from the first year, the country provides a perfect balance of academic quality and affordability.

Life at Jalal-Abad International University

Life at JAIU is academically enriching and personally fulfilling:
